LINKS
GOLF & WELLBEING

YOUR SENIOR YEAR CELEBRATION STARTS HERE

AT LINKS GOLF & WELLBEING

Senior year is an exciting time for many students. It marks the end of a long educational journey and the beginning of a new chapter in their lives. One of the most anticipated events of senior year is the formal celebration, and the arrival is a major part of it. The arrival is the moment when students make their grand entrance into the venue, showcasing their adult selves surrounded by family and friends. It's a moment that will be remembered for years to come.

At Links, we've had the pleasure of accommodating a wide variety of unique vehicles, including fire engines, supercars, horses and carriages, semi-trucks, and more! Our Porte Cochere features a low point of 4.4m, which ensures that your vehicles fit comfortably. As a unique and premium entrance we have four helicopter landing areas available.

Aside from the grand arrival, Links offers numerous perks to make senior year celebrations even more special. Our venue features high ceilings, dimmable lighting and diverse room options including a grand entrance featuring a fountain court with a water feature as you step inside.

For those who want to take a break from dancing, we have a variety of lounge areas where students can relax and socialise. Our lounge areas are designed to be comfortable and stylish, so students can feel at ease while taking a break from the dance floor.

An additional option that can enhance your students experience is outdoor fireworks on the Golf Course. Our Fairway terrace is the perfect viewing platform for this grand display.

THE FOUNTAIN *Court*

800m sq | 40 - 170 seated

The Fountain Court is a perfect location for your formal celebration, it's giving class and timeless elegance. The grandeur of the space alone will elevate a chic event to the spectacle it should be.

Choose your Dance Floor

The dance floor for this space can either be the Lobby area or Fairway Lounge. Both spaces have plenty of room for your entire cohort.

The fountain is the highlight of the space, and with the addition of dry ice, your entrance will be elevated to the next level. This is an option to make your event truly unforgettable and mesmerize your guests with this stunning feature.

Grand BALLROOM

21m x 11m | 40 - 120 seated

Our movable walls and versatile features allow you to use 1, 2 or 3 Ballrooms, for group photo sessions or your main event. Our ballrooms create an open and inviting space that will fit your needs.

Our Ballroom Terrace is included with Grand Ballroom Hire and offers a gorgeous additional setting for your event and a private stairwell entrance. This Venetian cocktail terrace is also a great place to capture photos at your grand event.

Styling is everything in this space, whether you prefer a minimalist or maximalist approach, the styling of your space should reflect the overall mood you wish to create. With the right styling, you can make even the smallest of spaces feel like a Gala Event.
