Corporate Golf at Hope Island Golf Course

The satisfaction that comes from a superbly organised corporate golf day on one of Australia's finest resort courses is only equalled by the pleasure that your clients and business associates will experience.

Plan and enjoy your own Corporate Golf Event at Links Golf & Wellbeing which continues to set the standard when it comes to professionally organised golf day events from small to full field groups.

About Us

Situated a short drive from the excitement of Surfers Paradise and under an hour away from the Brisbane CBD, Hope Island Golf Course is the centerpiece of Hope Island Resort. With its 5-Star facilities and consistent rankings as one of Australia's top resort courses, Hope Island Golf Course is the ultimate destination for corporate and social golf, functions and events.

Your day begins with a friendly welcome from our concierge and may include a meal on the SOL Cafe's Terrace. It will then involve some careful strategic thinking while you make your way around the Par 72 course, avoiding the natural and man-made hazards and the 117 challenging pot style bunkers.

Heading home after a fantastic day, the signature Par 3 – Hole 17 – is a challenge for any golfer and is an experience in courage or folly. At 230m off the black tees and 180m off the whites, most players cannot reach the green due to the prevailing head wind. So one must consider playing this as a par four rather than a par three, but then again, you decide!

18 provides visitors with a fantastic view and although it may be a long journey "home", there is plenty to see and avoid. The 18th green is surrounded by bunkers and a hollow out front. A challenging end yet it is hoped you'll not be disappointed.

Hope Island Golf Course welcomes visitors and there are plenty of opportunities for Public, Corporate and Social Golf Packages to be arranged through the Club. We look forward to welcoming you to the Club and having you experience the facilities and service Hope Island is renowned for.
